ABB SSAC In Stock Timers & Controls Catalog

ABB SSAC, a U.S. based manufacturer of electronic timers and controls, is pleased to announce a new edition of its popular In Stock Timers & Controls Catalog (Cat. No. AC1008).

This 40-page catalog features ABB SSAC's most popular In Stock controls: Time Delay Relays, Encapsulated Timing Modules, Universal Timers, Alternating Relays, Three Phase Voltage Monitors, Current

Sensors, Liquid Level Controls, Flashers, Tower & Obstruction Lighting Controls, and Accessories. The new edition also contains a new selection of 22.5mm DIN3 mount multifunction timers. All products included in this catalog are available for immediate shipment.

A complete Index and a "fast find" Product Selection Guide streamlines product selection. Each page contains all the specifications needed to select one of the in stock part numbers shown on that page. This catalog is easily understood by both engineers and non-technical users.

This catalog is a must for all Engineering and Purchasing Departments who require Quality Products and Off-The-Shelf Delivery.

This catalog is available on line at: http://www.ssac.com/cgi-bin/compile_html.pl/standard/instock.htm
