Pushbuttons are complete except for contact blocks:

- To order a pushbutton operator complete with contact block, add the appropriate suffix code to the end of the catalog number and add the list price adder to the operator list price. EX: CBK-EST4R01, **\$ 44.00**
- To order just the contact block, refer to "Separate contact blocks" column and indicate catalog number and quantity. EX: CBK-CB01, qty 1, **\$ 8.00**

Example of individual component ordering

$$\text{CBK-EST4R} \quad \text{CBK-CB01} \quad \text{CBK-EST4R01}$$

$$\$ 36.00 \quad + \quad \$ 8.00 \quad = \quad \$ 44.00$$
