## Contact blocks (Maximum 4 per operator)

Type	Separate contact blocks catalog number	Included with operator suffix code	List price adder
1 N.O. 1 N.C.	CBK-CB10 CBK-CB01	10 01	<b>\$ 8.00</b>
1 N.O. & 1N.C. 2 N.O. 2 N.C.	CBK-CB10 + CBK-CB01 CBK-CB10 + CBK-CB10 CBK-CB01 + CBK-CB01	11 20 02	<b>16.00</b>

Pushbuttons are complete except for contact blocks:

- To order a pushbutton operator complete with contact block, add the appropriate suffix code to the end of the catalog number and add the list price adder to the operator list price. EX: CBK-PKM110, **\$ 51.00**
- To order just the contact block, refer to "Separate contact blocks" column and indicate catalog number and quantity. EX: CBK-CB10, qty 1, **\$ 8.00**

## Example of individual component ordering

$$\text{CBK-PKM1} + \text{CBK-CB10} = \text{CBK-PKM110}$$

$$\$ 43.00 + \$ 8.00 = \$ 51.00$$

## 5 Contact block holders (Maximum 4 contact blocks)

To order an assembled unit with a 5 contact block holder, add the digit "5" to the end of the catalog number and add \$ 4.00 to the list price. EX: CBK-PKM15, **\$ 47.00**

To order double contact blocks used with the 5 block holder, order the following combinations separately:

Item	Catalog number	Price
2 NO	KCB-20	<b>\$ 16.00</b>
2 NC	KCB-02	
1 NO & 1 NC	KCB-11
